

A Welcome to Our Visitors

We are honored and encouraged by your presence, and we ask God's blessings upon you as we worship together. **Please permit us to have a record of your visit.** There are visitors cards on the table in the foyer and on the back of the pews. We ask that you complete one and drop it in the collection basket. **Thank you.**

Please allow us to share something about ourselves. We are a family of believers who love God because He first loved us. In response to His love, we have entrusted our lives to Him, offering God our hearts, our faith and our praise. He has transformed and empowered us to serve in His Kingdom. We would like to share His love with you. (Acts 10:33)

Today our worship to God will be as He has taught us in His Word. We will celebrate the Lord's Supper to remember the death of Jesus Christ, as the New Testament church did on the first day of the week (Acts 20:7). We will take up a collection for doing the Lord's work.

(1 Corinthians 16:2). *Visitors are welcome to give but do not feel that it is necessary, as you are our guest.* We will sing, pray, and spend time in God's Word, just as the early church did.

Please join us as we worship together this morning.

May God bless you each day as you come to know Him better.

A Place to Meet Jesus*

April 21, 2024

We would like to thank all who attended our meetings on February 18th and 25th concerning growth here at Spring Creek Church of Christ. Both meetings were well attended. We appreciate all of your comments, concerns, and suggestions. With that said, we will be communicating with the congregation on a regular basis as plans and decisions are made moving forward. The following are just a few we are working on now, which you should see in place soon.

- Take steps to be more deliberate in our time of worship without losing the integrity or purpose of our being there.
- We have changed the process by which we serve communion. There are now options as to how you partake.
- Expanding education/Bible classes to meet the needs of the congregation further. The plan is to start this summer with more choices on Sunday mornings and Wednesday evenings.
- Expand how we interact with our visitors from the time they are greeted at the door, but also as they move through the foyer. Restore visitors center along with utilizing the monitor in the foyer with updated information. Tentative plan is to implement by summer.
- We are looking at advertising in a number of ways/options so we can reach out further into our growing community. Tentative plan is to implement before summer.
- We have heard a call for a community garden on our property. We are interested in making this happen but need help. If you are interested in this and would be willing to commit to time and leadership, please see one of the elders.

Obviously, no one can do this alone. We ask that if you see something that you would like to be involved with please let us know. If you have any questions please do not hesitate to contact one of us. Continue to pray for one another and for Spring Creek as a whole as we move forward together.

In Him,
The Elders
